Society for Technical
Communication
India Chapter

STC Member Benefits

Worldwide, technical communicators use their Society for Technical Communication memberships to prepare for tomorrow's workplace.

- Access to over 140 free, on-demand, archived seminars.
- 14-day advance access to the newest employment opportunities available in the STC job bank.
- A network of peers to connect with online and in person.
- Online access to industry-leading publications *Intercom* and *Technical Communications*, and the *TechComm Today* e-newsletter.
- Members only discounts on education including live web seminars, recorded seminars, online courses, and virtual conferences.
- Access to four days of presentations, panels, and insights with some of the popular names at the annual Summit conference.
- An Affinity Program that provides discounts on software, products, and services.
- Discount on STC Summit offering great opportunity to network and learn about the most current topics in technical communication.
- Opportunity to choose from more than 80 communities and 10 SIGs that offer opportunities to stay connected with the technical communicators of the same geography or interests.
- Access to the new updated salary survey.
- Access to mentor board where professionals can connect to establish mentor/mentee relationship.

STC India Chapter

Our award-winning India chapter provides industry support, education, community service, and networking opportunities for chapter members, students, and local businesses.

Benefits of STC India Membership
